**WLDE Fun 101.7 FM**  
**OFFICIAL CONTEST RULES**  
**"Window to Winning"**

**How to Enter the Contest:**

The contest will begin on May 7, 2015 and end on or before June, 17, 2015 or when all of the squares (Windows) have been successfully matched and the prizes have been given away. No purchase necessary.

**How to Play:**

Listen to Fun 101.7 FM each weekday (except Monday, May 25<sup>th</sup>, Memorial Day) between 7:00am and 7:00pm Eastern Time ("ET") to play the contest. The contest will be played on the air at approximately 7:20 a.m., 8:20 a.m., 10:20a.m., 1:20 p.m., and 4:20 p.m., during the Promotion Dates. Upon hearing the Money Monkey Sounder, the 10<sup>th</sup> caller to get through to the Station's contest line at (260)-426-5343 or toll free 1-888-450-1017 will have the opportunity to play the contest.

To play, the caller will be asked to choose one available square, numbered between 1 and 50, and the prize associated with that square, will be revealed on air. The caller will then be asked to choose a second square, and the on-air personality will reveal the prize associated with that square. If the prizes associated with those squares match, the caller will win that prize, upon confirmation of eligibility. If the prizes do not match, no prize will be awarded and no other callers will be taken at that time. The game will continue at the next scheduled time(s) thereafter until all of the prizes are matched and won for the duration of the contest. If a contestant selects a square and the corresponding prize is "Windows, Doors & More" during the call, whether on one choice or both, that square(s) is considered a "Wild Card". If the contestant gets a "Wild Card" on their first choice, they will win whatever prize is revealed on their second selection. If a contestant gets a "Wild Card" as their second selection, they win whatever prize was revealed on their first selection. If a contestant gets a "Wild Card" on both selections, they will get two additional selections of squares and will win both corresponding prizes upon confirmation of eligibility. At the time of their call, participants will be required to provide off-air all information, requested including their full name, complete address (including zip code), County, State, day and evening phone numbers and date of birth in order to be eligible to win. In the event that the selected caller is found to be ineligible, the next eligible caller will be a contestant. There is no limit to the number of times a listener may attempt to call in to win, but a listener may only win a prize in the Contest once per contest game board. In the event that a contestant is disconnected for any reason in the middle of contest play, the contest episode is over. Contest play will resume at the next episode date/time scheduled. If a prize is revealed to a contestant and the call is disconnected, that prize and its corresponding number will be revealed on-air.

Once a prize is won, it will no longer be available, and the squares associated with it will become unavailable for subsequent guesses on that board. This includes corresponding squares associated with prizes won in connection with Wild Card selections. If a caller picks an unavailable square, they will be informed by the on-air personalities, and will be told to pick available square(s). The personalities will tell what squares are available if the participant requests the information.

Only calls received on the studio request line are eligible to win.
